

# IEEE CASS Shikoku and Shanghai Chapters Joint Workshop on Nonlinear Circuits and Systems

## SSJW'08

Tokushima Bunri University, Kagawa, August 4-5, 2008

### Call for Papers

IEEE CASS Shikoku and Shanghai Chapters Joint Workshop on Nonlinear Circuits and Systems (SSJW'08) will be held on August 4-5, 2008, at Kagawa Campus of Tokushima Bunri University, Kagawa, Japan. This workshop aims to stimulate the chapters' activities as well as to provide a forum for exchange of the latest research results on nonlinear circuits and systems. SSJW'08 is the second joint workshop succeeding the memorial first SSJW held at Minhang Campus of Shanghai Jiaotong University, Shanghai, China, on November 22, 2007.
